*Announces Joint Venture Agreement to Executive Produce*

**“OUT OF NOWHERE”**

New York, New York (July 18, 2011) THE WALL STREET ORGANIZATION, INC., (WSO) [www.wallstreetorganization.com](http://www.wallstreetorganization.com), a private investment bank announced today that it has entered into a Joint Venture Agreement as Executive Producer of Mr. Stanley Sheff's and Mr. Steven Greene's motion picture production of "OUT OF NOWHERE". The screenplay for "OUT OF NOWHERE", a gritty "film noir" drama, was co-written by Mr. Sheff and Mr. Greene and will be directed by Mr. Sheff and produced by Famous Pictures Company. Mr. Sheff is known for his 1989 cult classic film "Lobster Man from Mars" and the critically acclaimed short film "Sinister Flesh". Mr. Sheff is also the creative mind behind "Maxwell Demille's Cicada Club", where some location shooting of OUT OF NOWHERE will take place. The Cicada Club is reminiscent of a 1920's-1950's nightclub from Hollywood's golden days that retains much of the original Art Deco motif that French designers and artisans of the time created.

THE WALL STREET ORGANIZATION, INC. with its lengthy track record of coordinating numerous securities transactions will be applying its financial packaging expertise in the capital formation phase of OUT OF NOWHERE.
